Educational Leadership (EDL)

- Efficient and effective school leadership and management are the cornerstones of the school as a successful learning community. The Professional Educator Diploma in Educational Leadership courses are designed to prepare kindergarten through 12th grade (K-12) school principals, aspiring principals or school administrators to face the challenges of the 21st century, in addition to enhancing student achievements and running schools effectively.
- Topics covered in the program include leadership theories and styles, instructional leadership and assessment, management vs. leadership, technology for school management systems as well as a fieldwork component.
