Elective	3	Elective	3
Elective	3	Elective	1
<i>Total credits=</i>	<i>15</i>	<i>Total credits=</i>	<i>13</i>

Notes:

- BIOL 1011 is strongly preferred
- The term "elective" in this table refers to courses for the minor, major collateral, a second major, or other courses of choice not required for the psychology major.
- Students who declare psychology late or do not follow the recommended course sequence may find it challenging to graduate on time
