## **CASH DEPOSIT/TRANSFER**

SCE Students have the option to pay the tuition through cash deposit/transfer through the bank. Email [sce@aucegypt.edu](mailto:sce@aucegypt.edu) when you plan to use this option to avoid the system from dropping you for not settling your fees on the same day you paid. After this email, you will be allowed an extension of two working days to settle your payment before being dropped from the system.

1. After completing depositing the fees at the AUC bank account, you will receive a receipt with the paid fees.

2. On the receipt, write your SCE nine-digit ID number that starts with "A00" and send an email to [sce-sa@aucegypt.edu](mailto:sce-sa@aucegypt.edu) with a scanned copy of the receipt as an attachment to track your payment.

3. It is preferable to make the payment on the same day of registration online to avoid being drooped automatically by the system.
