INTRODUCTION

AUC is committed to providing a safe academic and work environment for its students, faculty, and staff. Thus, the safety precautions and requirements implemented for COVID-19 are now less strict; AUC will keep monitoring the status in case of situation changes. While these precautions and requirements may or may not be effective in mitigating the spread of COVID-19, the University has been implementing a carefully planned and measured operation of its campuses based on the best practices of the WHO, the Egyptian Ministry of Health and Population and the Centers for Disease Control and Prevention.

Spring 2023 measures are being relaxed in accordance with the decline of infection rates nationally and in AUC. AUC will be monitoring the situation and will be flexible to revert back on some of the measures as needed.

Throughout AUC's response to the COVID-19 pandemic, the University has remained focused on the health and safety of our faculty, students, and staff. This commitment has never wavered, and it remains a guiding tenet as the University continues with carefully planned and measured face-to-face operation.

WHAT IS AUC DOING TOWARD A SAFE ACADEMIC AND WORKING ENVIRONMENT?

- Mitigate the risk of exposure by requiring AUC community members to regularly monitor their personal health status. Community members should not come to either campus if they are showing symptoms.
- Utilize enhanced cleaning and disinfection protocols across campuses.
- Encourage the entire AUC community and visitors to follow specific guidelines through signage and other communication methods leading to good hygiene practices.
- Follow best practices from the WHO, MOH, and CDC.

SAFETY MEASURES

GENERAL SAFETY MEASURES

- Masks are optional on campus and on all AUC buses (they are encouraged for people with autoimmune diseases).

- Wash your hands often with soap and water for at least 20 seconds, especially after going to the bathroom, before eating, after blowing your nose, coughing, or sneezing. If soap and water are not readily available, use an alcohol-based (at least 60%) hand sanitizer.
- Avoid touching eyes, nose, or mouth with unwashed hands.
- Stay home if you have flu-like symptoms and self-isolate to limit exposure to others.
- Avoid close contact with people who are sick.
- Avoid sharing common office supplies such as pens and notebooks.
- Clean and disinfect shared objects and surfaces using regular household cleaning supplies.

FACE COVERINGS AND MASKS

How to use a face mask or face covering:

- Wash your hands before putting on your face mask.
- Put it over your nose and mouth, and secure it under your chin.
- Try to fit it snugly against the sides of your face.
- Make sure you can breathe easily.
- Keep the mask on your face when you are around others.
- Do not put the mask around your neck or on your forehead.
- Do not touch the face mask, and, if you do, wash your hands.

How to take off your face covering:

- Untie the strings behind your head, or stretch the ear loops.
- Handle only by ear loops or ties.
- Fold the outside corners together.
- Place cloth face coverings in the washing machine, and dispose of single-use ones.
- Be careful not to touch your eyes, nose, or mouth when removing the mask, and wash your hands immediately after doing so.

Care for face coverings:

- Cloth face coverings should be washed after each use.
- Wash your face covering with your regular laundry.
- Use regular detergent and the warmest appropriate water setting for the face covering material.
- Disposable masks should not be used for more than one day and must be disposed of appropriately at the end of the day.

SECURITY GUIDELINES

ACCESS TO CAMPUS

All community members with an active AUC ID are granted access to campus from all gates and entrances. All community members must have their AUC IDs with them at all times. Not having a valid, active AUC ID will likely cause considerable delays during entry and exit.

More Information

Contact gatepass@aucegypt.edu if you have any inquiries or feedback.

VISITOR ACCESS TO CAMPUS

All campus visitors must be pre-registered before arriving on campus to allow the University to monitor and control their presence on campus.

General Guidelines

- The host (faculty or staff only) must submit the visitor's information 24 hours before the visit by filling in the visitor registration [form](#).
- Gatepass@aucegypt.edu will review the submitted visitor information and contact the host with the visit status.
- Completion of the form does **not** guarantee that a visitor will be approved to enter the campus.

Gates and Entrances

- Visitors to AUC New Cairo can only enter via gates 1 and 4.
- Visitors to AUC Tahrir Square can enter via the Mohamed Mahmoud entrance or the Falaki Academic Center's main entrance. Access is also via the Sheikh Rihan entrance, except on Fridays and Saturdays.

- Visitors to the AUC Tahrir Square Bookstore can enter via the bookstore entrance on the corner of Kasr El Aini and Sheikh Rihan streets.

Contractor Access to Campus

Contractors are allowed to access campus via Gate 3 only.

Repetitive Visitors

Contact gatepass@aucegypt.edu to coordinate campus access for this type of visitor.

Events Visitor Process

- Fill in the visitor registration form, and choose the “*I’m organizing an event*” option.
- Upload the needed event information.
- Contact gatepass@aucegypt.edu to process visitor access to the event.

More Information

Contact gatepass@aucegypt.edu if you have any inquiries or feedback.

PARKING SERVICES

AUC uses the Parking Access System, which provides both access control measures to the campus and the collection of the parking subscription fees. Graduate and undergraduate students, faculty, and staff will enjoy the full cashless experience offered by PAS during their daily access to campus.

For more information about PAS, please contact parking@aucegypt.edu.

Payment:

Parking Subscription for Students

- Go to the [parking subscription page](#).
- Log in using your AUC e-mail credentials.
- Check the corresponding subscription duration needed and click "Subscribe."
- You will get a notification e-mail.
- The fee will be charged to your Banner Self-Service student account to be paid with the tuition.

One Day Pass

If you are an enrolled undergraduate or graduate student and wish to access the campus by purchasing the One Day Pass, swipe your ID at the reader to your left during entry at one of the designated gates. The corresponding One Day

Pass fee amount will be charged either to your AUC Pay account (if you elect to use this service via the AUC Pay Portal) or through your Banner Self-Service student account to be paid with the tuition. Please visit the [AUC Pay webpage](#) to learn more about how to activate AUC Pay.

For more information about PAS, check the [FAQs](#) or contact parking@aucegypt.edu.

AUC ID SERVICES

The ID Center will continue to provide ID services during operating hours. To avoid an unnecessary visit to the ID Center or long waiting time, please consider the following guidelines:

First-Time ID Issuance, ID Replacement, or Renewal

- Call ext. 3725/3871, or reach out via idcentdir@aucegypt.edu, and provide your ID number along with the requested service.
- The ID Center operator will process your request and schedule a visit for you if needed.

ID Activation for Offices or Labs

- Call ext. 2468 or email keys@aucegypt.edu, and provide the needed information, including the office or lab number and the approval of the area head or dean.
- The ID Center operator will process your request and schedule a visit for you if needed.

More Information and Contacts

- All community members must have their AUC IDs with them at all times. Not having a valid, active AUC ID will likely cause considerable delays during entry and exit.
- For lost IDs, please report the case immediately to the ID Center and obtain a new ID and deactivate the old one.
- If your AUC ID is not working, please contact the ID Center for assistance.
- Please contact the ID Center at ext. 3725/3871, email idcentdir@aucegypt.edu or visit Room P029 at the Administration Building.

TOBACCO-FREE COMMUNITY POLICY

All persons present at any time inside the pedestrian walls of either AUC campus are prohibited from smoking or consuming any tobacco products outside of the designated

smoking areas. The designated smoking areas on the campuses are marked with signs and a perimeter that delineates exactly where the use of tobacco products is permitted.

Security guards are authorized to check and make a note of the IDs of whoever violates this policy. Refusing to submit the ID would be considered a violation of the AUC ID Card Policy and could result in the suspension of access to campus.

In the case of a violation, the violating person's information will be taken down, and they will receive a letter informing them of the rules outlined in this policy. Should an individual continue to violate the policy, they will face progressive sanctions. More information about the Tobacco-Free Community Policy can be found [here](#).

HELPDESK OPERATIONS

To enhance management and operations services, we have launched an online self-service portal for the offices of integrated and hard services.

It is an automated tool to ensure an efficient and consistent customer experience. It facilitates the process of placing, describing, and tracking requested services.

The form is available through the following link: [Operations Self-Service Portal](#). There, you can place any service request related to maintenance, housekeeping, pest control, and landscape services. The services are available to both campuses and the AUC off-campus premises.

The helpdesk operations office can receive emergency calls from Sunday to Thursday (8:30 am to 4:00 pm) at +20.2.2615.2222 or ext. 2222.

TRAVEL

- International travel will be restricted to essential travel only; however, we will follow local government announcements and travel regulations to decide the appropriate time to relax travel restrictions.
- Due to the shifting epidemiology of the virus, a particular destination considered relatively safe now may be deemed unsafe next semester and vice-versa.
- Detailed travel information will be shared on the AUC [travel website](#).

EVENTS MANAGEMENT

AUC New Cairo:

- Events are open to members of the AUC community who currently have access to campus.

AUC Tahrir Square:

PUBLIC HEALTH

Online Health Self-Check

- This questionnaire is based on Symptoms of COVID-19 from this [link](#)

- Any member of the community experiencing COVID-19 symptoms and wanting to report to the clinic should perform a health self-check and answer a 30-second questionnaire (New Cairo and Tahrir).
- Upon reporting your symptoms and receiving a red face, the clinic will call you back to go over your case with you and give you medical advice as needed.
- Please begin the health self-check by inserting your AUC credentials in this [link](#).

It is recommended to follow these guidelines to keep yourself and others protected:

- ✓ Avoid unsafe gatherings.
- ✓ Avoid poorly ventilated indoor spaces.
- ✓ Wash your hands often with soap and water or use hand sanitizer with at least 60% alcohol if soap and water are not available.

COVID-19 Suspected Cases Process

- A **red face** is reported by the self-check system or the Office of Medical Services (case presents to the Office of Medical Services or reports to the Office of Medical Services via email medicalserv@aucegypt.edu or emergency phone +2.012.8000.1039).
- The case is verified by completing the medical data, medical reports, blood tests, and CT scans (confirmed/probable case).
- The case is recorded into the COVID-19 reporting system. Emails are sent to the direct manager (staff), Office of the Dean of Students (students), Office of Integrated Services (disinfection, if needed), Office of Residential Life (dorm residents), and each entity takes the required action.
- The confirmed/probable case self-isolates for 5 days.

AUC CORONAVIRUS COMMUNITY DASHBOARD

As part of AUC's effort to mitigate the risks of COVID-19 and provide the needed data to the community, we have developed the [AUC Coronavirus Community Dashboard](#).

We are closely monitoring the infection rate updates in both Egypt and the AUC community.

AUC CLINIC

The AUC New Cairo and AUC Tahrir Square clinics are operating full-time, with the following services:

AUC New Cairo Campus Emergency Services (24/7)

- The emergency services are available to AUC students, faculty, and staff.
- In case an AUC community member or visitor is injured or suffering from a medical condition that requires emergency first aid or examination by a physician, the patient or anyone present should immediately call the medical hotline on +2.012.8000.1039 or +20.2.2615.4000 or dial ext. 4000 from any on-campus phone for the New Cairo clinic. For the Tahrir Square clinic, call +20.2.2797.5000 or dial ext. 5000.
- The caller should provide the following information:
 - The detailed location, approximate age, gender, and name (if known) of the injured/sick person
 - As much detail as possible about the nature of the injury or illness
 - Information about any hazards that may threaten the patient or the responding team
 - The name, ID, and department of the caller
- The emergency response medical team moves immediately to the site of the emergency.
- The severity of the patient's condition is assessed and a medical decision can be taken.
- Emergency services are also available at the off-campus residences and Faculty Housing clinic located on plot 2 from 8:00 pm to 8:00 am on weekdays and 24/7 on weekends.
- Ambulance services: The AUC ambulance service is intended for the transport of critical cases on the New Cairo campus only. If any member of the AUC community faces an emergency off campus, they should contact the nearest hospital or call 123 for the Egyptian ambulance service.

AUC Tahrir Square emergency services are from 8:30 am to 10:30 pm.

Primary Health Care Services for Cigna Subscribers

- The clinic offers primary health care for Cigna subscribers in the form of:
 - Physical examination and treatment prescription
 - Referral for requested testing (lab tests and imaging)
 - Referral for specialized medical consultation when needed
 - Authorization of external prescriptions and chronic monthly medication dispensation from affiliated Seif Pharmacies branches
- Arranging on-campus annual checkups for Cigna subscribers

In the case of a hybrid or online mode of instruction, the clinic will be working on an emergency basis with the following arrangements:

- Cigna subscribers who need a monthly prescription or lab and scan referrals must notify the Office of Medical Services of their request through email

(medicalserv@aucegypt.edu). The emails are channeled to our AUC clinic physicians who issue the needed prescriptions or referrals.

- The prescriptions are then sent daily to Dr. Ghada Maher, Seif Pharmacies' representative, (ghada313@gmail.com), and a confirmation email is sent to the subscriber to collect the medications with time and location details.
- The referrals issued are sent as a soft copy through email, signed and stamped, to the subscriber to be used in any Cigna network lab or scan center.
- For external doctors' examinations, referrals are also issued and sent as soft copies through email to the subscriber.

Wellness Programs and Consultancy Clinics

To promote the health and wellness of the AUC community, the following clinics are now operating:

- AUC New Cairo clinic: nutrition, anti-smoking and psychiatric services
To book an appointment, call ext. 3907 or +20.2.2615.3907 or email medicalserv@aucegypt.edu.

- The medical coverage may include physicians, nurses, a golf cart (only on the New Cairo campus), and an ambulance according to the size and medical requirements of the event.

Sick Leaves for Employees

Sick leaves may be granted based on the following:

- The employee is examined internally at the AUC clinic, and the physician issues a sick note based on the findings.
- The employee already visited an external physician or underwent surgery and received a sick note.
- An employee assessed externally should provide the clinic with the following documents:
 - Detailed, official, original, stamped sick note issued by the external health provider, including the number of leave days required
 - Related lab results, imaging reports, and prescription for medication
 - The Leaflet to Attend Medical Examination form (an original form and two copies) signed by the supervisor on the first day back at work after leave

- The AUC physician approves reports and recommendations in the case of an external treating physician.

Hosting Work Permit Renewal

- As part of the legal requirement for the renewal of work permits, non-Egyptian employees have to perform some lab tests, including HIV tests. The AUC clinic, in collaboration with the Business Support Unit, hosts the testing of non-Egyptian faculty and staff.
- The clinic provides the physical space and the required materials and supplies for the test, which will be performed by doctors from the MOH Central Health Laboratories.

AXA Representative

The AUC clinic hosts an AXA representative physician offering the required services to AXA subscribers at the New Cairo and Tahrir Square clinics. The AXA physician is available during working hours from Sunday to Thursday at both clinics. You can call the needed clinic for further details on the AXA physician's working days and hours.
