Question 1

What methods can you suggest to better protect a university campus from sexual harassment?
في رأيك، ايه الطرق المقترحة لجعل الحرم الجامعي خالي من التحرش الجنسي؟

طريقة الابلاغ عن المتحرشين هي الحل

Interactive communities and sessions that indulges people socially and shows them how to correctly act towards women and what shouldn't be done with reasons because there's a big hole in people's awareness. That's a great problem and it's the reason why we see well educated people acting like this because of the hole they never cared for filling it with any awareness postulates.

ان يكون في مكان امن للتبليغ عن اي حالات تحرش في الحرم الجامعي ويكون فعلا بيتم اتخاذ إجراءات ضد اي متحرش ايا كان منصبه او وظيفته في الجامعه

Educate people, promote workshops

To make it a welcoming environment for all people and have strict policies against such behavior

Having a totally private tool to report sexual harassment cases

Reversed normalisation

Normalising discussion about this topic, implementing prevention and psychological support institutions and INFORMING about them, and most importantl strict rules and punishments.

Question 2

What would make you feel safe to go report an incident?

ايه اللي يخليك تشعر بالأمان لتقديم بلاغ عن حادثة تحرش؟

It will be more safe if there were no moral judgements everywhere.
Another Important thing is not to inflate the issue but take an action towards it without catching more eyes than it should.

اني اكون متأكده ان هيتم اتخاذ اجراء ضد المتحرش واني مش هتضر في اي حاجه بعد التبليغ

Having support and feel that my voice is heard

To have support from the people I report to & to know that an action will be taken and no shame will be allocated to the victims

Ensuring that I will remain anonymous

If I know that direct actions would be taken. Also, that I'm gonna be protected.

If I am sure that the right punishment will be taken, also if I am sure that I will be safe from the person that I am reporting

Privacy+ being sure that they will be punished

Anonymity and effectiveness

Knowing that my complaint would lead to actual repercussions would certainly encourage filling complaints.

Question 3

What can be added to an event like this to make it more effective and informative?

ايه اللي ممكن نضيفه للايفنت دا عشان نحقق أكبر استفادة؟

نوفر وسائل للتبليغ عن التحرش ونوضح قد ايه هي سهله

Spread the information more and more

Share some stories about how to face harassment

Maybe having student speakers and people who have suffered from sexual harassment to talk about their experience

That we need to work together and take subjects like this very seriously

Increasing the reachability of the event, making it as interactive as possible, and as enjoyable as possible.

It's never enough

That Ehna is amazing

Question 4

What did you learn the most today?

إيه اكتر حاجة اتعلمتها من ايفنت النهاردة؟
