

**THE AMERICAN  
UNIVERSITY IN CAIRO**

SCHOOL OF  
**CONTINUING  
EDUCATION**

**Develop Yourself and  
Achieve Your Goals**

The School of Continuing Education (SCE) is a leading school offering high-quality educational and skill-development courses in Egypt and is accredited by the International Association for Continuing Education and Training based in the United States.

## **Why SCE?**

### **Education Excellence**

With more than 90 years of experience, SCE is able to offer certificate programs, noncredit term-length courses and variable-length customized courses that fulfill the needs of students and organizations of various nationalities and different backgrounds in Egypt and the Middle East.

### **Professional instructors**

The professional instructors who are also practitioners in the fields give SCE students a competitive edge in the job market in both Egypt and abroad.

### **Various locations**

SCE offers its programs are held at AUC Tahrir Square and AUC New Cairo. Both campuses equipped with state-of-the-art information access technologies. SCE also operates its programs in the locations of SCE's strategic partners all over Egypt.

### **Curriculum**

SCE's mission is to improve the employability of the participants by providing lifelong learning by extending the resources of The American University in Cairo to Egypt and beyond.

To fulfill its mission, the school offers a broad array of professional educational certificates and stand-alone courses through highly regarded continuing education programs.
