

Squash Courts rules & regulations

The office of athletics is providing squash rackets to be checked out for daily usage for all AUC community members

Squash Racket Check-out policy. Due to the Overwhelming damage and abuse of the Check- out Squash Rackets changes have been made in the rules for obtaining a racket.

Please do not take a racket if you do not agree to the following:

1. Inspect the squash racket frame for any damage. Do not check out a racket that has any frame damage.
2. All rackets will be inspected upon return, and any damage to the frame will be charged to the user.
3. Replacement fee for a damaged squash racket is 350 LE (This applies to any degree of frame damage).
4. Broken Strings are not included in the policy.
5. There will be no exceptions without direct approval from the Director of Athletics.

If you do not wish to follow this Policy, please do not check out a squash racket.

We encourage all players to purchase their own squash racket so they will not be disappointed when coming to play. We also strongly encourage the use of approved eye guards for your safety.

Requests and suggestions may be directed to athletics@aucegypt.edu
