- Teaching and Learning Enhancement Support Grant
- Organization of a Conference Support Grant
- Conference Travel Support Grant
- Teaching and Learning Enhancement Travel Support Grant

General Guidelines

1. The applicant has to check with the Dean on the availability of fund before applying through the online system.
2. All rules and regulations of each grant type are applied in this grant. So when applying, please refer to the guidelines and eligibility for the requested grant type.
3. The faculty member who consumed the maximum allowed fund for a certain grant type is not eligible to apply for an Off-Cycle Contingency Support of the same grant type.
4. Rejected proposals through the regular support grant system can't be considered in the Off-Cycle Contingency Support Funds.
5. Retroactive applications will not be considered through this program. The definition of retroactive funding is any expenditure prior to the start date of the grant stated in the counter-signed agreement by the grantee and the Vice Provost. This means that an applicant is not allowed to perform any activity before the Vice Provost Office informs him/her that his/her Support Grant has been approved.
6. Similar to the regular grant support system, a final report (technical and financial) must be submitted. Please see the section about reporting in every grant type.
7. The allocated fund for each school is very limited.

ⁱ All faculty support grants abide by AUC policies and procedures.
