## Teaching and Learning Enhancement Travel Support Grant (TLET)

### 1. Introduction

AUC provides financial support for faculty's involvement in the scholarship of teaching and learning to connect faculty with highly innovative or research-based programs that support engaging, effective, inclusive, or scholarly approaches to teaching and learning.

The maximum allowed fund for both Conference Travel and Teaching and Learning Enhancement Travel Support Grants shall not exceed \$3,500 (or the equivalent in Egyptian Pounds) per faculty member per year. The goals of the grant are to fund presentations on the scholarship of teaching and learning at conferences/workshops that develop faculty's pedagogical skills. Other funded activities of this grant may include: delivering a paper, leading a workshop, chairing a session, or exhibiting creative work but solely related to the enhancement of teaching and learning. Teaching and Learning Enhancement Travel Support Grant (TLET) does not fund travel to demonstrate disciplinary research nor to present or learn about materials for course content.

Consequently, the highest priority will be given to faculty who are personally invited to give keynote speeches, plenary presentations or other major addresses, presentations, or performances related to pedagogy. In addition, to the type of the presentation, the prestige and scope of the conference will also be considered.

All decisions pertaining to funding are final and the Office of the Associate Provost for Research, Innovation and Creativity (AP-RIC) reserves the right to recommend funding the applications at any level up to the maximum of allowed funding.

### 2. Statement of purpose

Teaching and Learning Enhancement Travel Grants (CTG) program is devised to enhance the university's reputation, visibility and ranking in teaching via presenting research and creative work to an international community of relevant audiences related solely to the enhancement of teaching and learning. The program extends to cover significant representation of AUC in acknowledged reputable conferences, such as in keynote speeches and plenary sessions. It also encourages conferences/workshops that develop faculty's pedagogical skills.

8. Faculty members who leave the university or accept a position elsewhere prior to the conference travel date, will forfeit the grant Agreement.
9. Deans and Associate Provosts are *ineligible* for any type of Faculty Support Grants but shall request research funding from the Office of the Provost directly.
10. Associate deans who are URB members are ineligible for any type of Faculty Support Grants but shall request research funding from the Office of the Associate provost for research and creativity

### **3. General Guidelines**

1. Applications that do not include an invitation or official acceptance letter will be reviewed; however, the final decision will be made upon the submission of the official acceptance letter from the conference organizers addressed to the faculty member applying for the grant.
2. The successful applicant for a TLET must be (virtually or personally) either a presenter, a chair of a session, or a participant in a panel discussion. In other words, no applications will be approved for applicants who plan only to attend but have no other role.
3. AP-RIC Office will fund one faculty member per paper per conference.
4. All things being equal, priority may be given to applicants who will present a paper at a high impact conference, have junior status, have limited financial resources, or who have not received a TLET in previous year/cycle (s) (in that order). Junior faculty members are identified as Assistant Professors within 5 years of their initial appointment at AUC, or Associate Professors within the first two years of their initial appointment at AUC.
5. Each presenter must submit an application. Under normal circumstances, preference is given to the principal author and presenter of the paper or creative presentation.
6. If a student and a faculty apply for funding for the same presentation, priority will be given to the student.
7. Applicants are encouraged to pursue all sources of funding for their trip. Applications for partial funding will be considered for Teaching and Learning Enhancement Travel Support Grants that receive partial financial support from other external/internal funding sources. If awarded by the AP-RIC Office and overlapping funding is subsequently obtained from another source for this trip, the applicant must notify the AP-RIC Office to discuss a management plan.
8. Eligible faculty member may combine Teaching and Learning Enhancement Travel with Home Leave travel.
9. All Teaching and Learning Enhancement Travel Grant applications for Associate Deans and Chairs will be reviewed by the school dean and the University Research Board (URB).
10. Faculty members can be funded for an unlimited number of Teaching and Learning Enhancement Travel and Conference Travel Grants per year as long as the total fund does not exceed the maximum allowed fund.
11. Retroactive applications will NOT be considered. The definition of retroactive funding is “any expenditure prior to the start date of the grant stated in the counter-signed agreement by the grantee and the AP-RIC. This means that an applicant is not allowed to perform any activity before being informed that the grant has been approved by the AP-RIC Office, signing the Agreement for acceptance and having the Agreement counter-signed by the AP-RIC.” It should be noted however that if the faculty paid the registration fees, at his own risk, and then the grant was approved, the faculty member may reimburse the registration fees, provide that it has been included in the approved budget sheet.

**4. Evaluation Criteria (as communicated to the reviewers)**

1. The Significance of the conference in the teaching and learning field, this can include but not limited to the nature and size of the conference, the conference proceedings and how can it add to the visibility and reputation of AUC (30%)
2. Significance of the work presented as teaching and learning related IO of AUC. (30%) 3-Potential impact on the personal and professional development (30%)
3. The applicant’s record of scholarly productivity, as evidenced by refereed publications or other discipline-specific scholarly activity, over the past five years. (10%)

**5. Budget**

1. Travel and stay budget line may include: air ticket, per diem, visa fees and ground transportation.
2. For travel requiring air ticket, the budget justification must state the exact travel and arrival dates and the destination, as per the conference dates and location, and the air ticket cost in EGP, as provided and/or approved by the AUC Travel Office. In case of issuing the air ticket elsewhere, the Travel Office’s approval and price quotation shall be secured prior to issuing the ticket for reimbursement.
3. Air Tickets shall be booked by the AUC Travel Office and only economy class is allowed. Exceptionally, the Travel Office may approve purchase of a ticket for business travel other than through the Travel Office, if it is satisfied that the traveler can procure the ticket at a price cheaper than that available to the Travel Office after all discounts. Because the overall level of discounts obtained by the Travel Office is heavily dependent upon the annual volume of its business, minor improvements in ticket price will not be taken into account in determining whether it can be procured elsewhere.
4. If the faculty is on home leave, the grant will cover the roundtrip ticket cost from the home leave destination to the conference destination and back, or from Cairo to the conference destination and back, whichever is cheaper.
5. AP-RIC Office abides by the AUC monthly exchange rate.
6. The grantee is requested to finalize the air ticket purchase and all related travel expenses maximum within one week after the Agreement is finalized, because AP-RIC Office will not undertake any possible changes in the exchange rate or the ticket price.
7. The Per Diem rate is up to \$225 per day towards expenses for stay abroad. For travel to the Americas or the Far East, per diem is allowed for two days transit beyond the actual conference period. For other international travel, per diem is allowed for one day transit beyond the actual conference period.
8. If the conference registration fees include meals, US \$25 per meal will be deducted from the per diem.
9. Per Diem may not be requested for summer travel coinciding with home leave if the location of the proposed activity is at the home leave destination (city) on record with the school Dean’s Office.
10. Ground transportation to and from airports is not covered and can only be requested if the conference location doesn’t have an airport.

**\*\*If the grant activity starts after the first of July, the grant will be funded from the applicant’s maximum allowed fund of the corresponding fiscal year.**

**➤ *All payments shall be processed through the responsible offices at AUC including, but not limited to: Travel Office, Controller’s Office, etc., and shall abide by AUC policies and procedures***
