## Teaching and Learning Enhancement Travel Support Grant (TLETG)

### 1. Introduction

AUC provides financial support for faculty members to present innovative work conducted within the scholarship of teaching and learning at internationally renowned conferences/meetings. Work to be presented is expected to be highly innovative, or research-based, supporting engaging, effective, inclusive, and/or scholarly approaches to teaching and learning.

The goal of this grant type is to enhance the international visibility of AUC's innovative pedagogical activities for teaching and learning, allowing and promoting interactions within the international communities of relevance. Consequently, the highest priority will be given to faculty members who are invited to give keynote speeches, plenary presentations or other major addresses, or presentations. In addition to the type of intellectual output, the prestige and scope of the international conference/meeting will also be considered. Delivering a paper, leading a workshop, or chairing a session at a recognized international conference/meeting are fundable activities by this grant. Teaching and Learning Enhancement Travel Support Grant (TLETG) does not fund travel to demonstrate disciplinary research nor to present materials for course contents.

The maximum allowed fund for both Conference Travel and Teaching and Learning Enhancement Travel Support Grants shall not exceed \$3,800 (or the equivalent in Egyptian Pounds) per faculty member per academic year.

All decisions pertaining to funding are **final** and the Office of the Associate Provost for Research, Innovation, and Creativity (AP-RIC) reserves the right to recommend funding the applications at any level up to the maximum allowed funding.

**Office of the Associate Provost for Research, Innovation and Creativity**  
**The American University in Cairo**

3. Faculty members on “Leave without Pay” shall not be funded for this grant type during their leave period. However, they may apply for funding prior to resuming their work at AUC. No funds will be dispersed until the faculty member resumes work at AUC.
4. Faculty members on “Paid Medical Leave” are ineligible for this type of grant.
5. The applicant must have all due final reports for all previously awarded internal faculty support grant on record as submitted and approved.
6. Deans and Associate Provosts are ineligible for any type of Faculty Support Grants but shall request research funding from the Office of the Provost directly.
7. Associate Deans who are URB members are ineligible for any type of Faculty Support Grants but shall request research funding from the Office of the Associate Provost for Research, Innovation and Creativity.

4. General Guidelines

1. Faculty members can apply to this type of grant **prior** to obtaining an invitation or official acceptance letter. Their application will be reviewed and evaluated; however, the final decision on possible funding will only be made after the provision of an official invitation and/or acceptance letter from the conference organizers addressed to the faculty member applying for the grant.
2. The successful applicant for a TLETG must be (virtually or physically) either a presenter, a chair of a session, or a participant in a panel discussion. No funding can be awarded to applicants for only attending a conference/meeting.
3. AP-RIC Office will fund one faculty member per scholarly output per international conference/meeting.
4. No support would be provided for presenting the same scholarly output at different international conferences/meetings.
5. Each presenter must submit an application. Under normal circumstances, preference is given to the principal presenter of the scholarly output.
6. Applicants are encouraged to pursue all sources of funding for their travel. Applications for partial funding will be considered for TLETGs that receive partial financial support from other external/internal funding sources. If awarded by AP-RIC and overlapping funding is subsequently obtained from another source for this travel, the applicant must notify the AP-RIC to discuss a management plan.
7. Eligible faculty member may combine TLETG with home leave travel.
8. Faculty members can be funded for several Conference Travel and Teaching and Learning Enhancement Travel per year as long as the total awarded funds do not exceed the maximum

allowed per academic year.

9. Retroactive applications and/or funding are NOT possible.  
Retroactive funding entails any expenditure prior to the start date of the grant stated in the counter-signed agreement by the grantee and the AP-RIC. This means that an applicant cannot have supported by the grant any activity performed before being informed that the grant has been approved by the AP-RIC Office, signing the Agreement for acceptance, and having the Agreement counter-signed by the AP-RIC.  
It should be noted however that if the faculty paid the registration fees, at his/her own risk, and his/her TLETG application was approved, the faculty member may have reimbursed the registration fees, provide that these had been included in the approved budget sheet.
10. An awarded TLETG is specific to the awardee, the meeting, conference, or festival to be attended, and the scholarly or creative output to be presented. Reassigning CTGs is not possible. Any change in the awardee; in the international meeting, conference, or festival; or in the scholarly or creative output to be presented nulls the awarded grant.

#### **5. Evaluation Criteria (as communicated to the reviewers)**

1. The significance of the international conference/meeting; this can include but is not limited to, the nature and size of the event, the event proceedings and, how can it add to visibility and reputation of AUC (30%)
2. Significance of the work presented as an intellectual output of AUC (30%)
3. Potential impact on the personal and professional development (30%)
4. The applicant's record of scholarly productivity, as evidenced by refereed publications or other teaching and learning scholarly activity, over the previous five years. (10%)

#### **6. Budget**

1. Travel and stay budget lines may include airfare, per diem, and visa fee. In case testing and/or vaccinations are required for travel, the associated costs may also be included.
2. For travel requiring an air ticket, the budget justification must state the exact travel and arrival dates and the destination, as per the conference dates and location, and the air ticket cost in EGP as provided and/or approved by the AUC Travel Office. In case of issuing the air ticket elsewhere, the Travel Office's approval and price quotation shall be secured prior to issuing the ticket for reimbursement.
3. Air Tickets shall be booked by the AUC Travel Office and only economy class is allowed. Exceptionally, the Travel Office may approve the purchase of a ticket for travel other than through the Travel Office, if it is satisfied that the traveler can procure the ticket at a price significantly cheaper than that available to the Travel Office. Because the overall level of discounts obtained by the Travel Office is heavily dependent upon the annual volume of its

**The American University in Cairo**

business, minor improvements in the ticket price will represent an acceptable justification for purchasing the ticket elsewhere.

4. Granted airfare will be Cairo-international conference/meeting destination-Cairo.
5. If the faculty is combining TLETG with a home leave, the grant will cover the roundtrip ticket cost from the home leave destination to the international conference/meeting destination and back, or from Cairo to the international conference/meeting destination and back, whichever is less costly.
6. AP-RIC Office abides by the AUC monthly exchange rate.
7. The grantee is requested to finalize the airfare and all related travel expenses within **two weeks** after the Agreement is finalized. AP-RIC Office will not undertake any possible changes in the exchange rate or the airfare cost.
8. The per diem rate is up to \$250 per day towards expenses for staying abroad. For travel to the Americas or the Far East, per diem is allowed for two days of transit beyond the actual international conference/meeting period. For other international travel, per diem is allowed one-day transit beyond the actual international conference/meeting period.
9. The per diem may not be requested for summer travel coinciding with home leave if the location of the proposed activity is at the home leave destination (city) on record at AUC.
10. Ground transportation to and from airports is not covered and can only be requested if the international conference/meeting location doesn't have an airport.
11. Any unused funds must be returned to the Office of AP-RIC.
12. The TLETG cannot be rolled over to a subsequent fiscal year.

**\*\*If the grant activity starts after the first of July, the grant will be funded from the applicant's maximum allowed fund for the corresponding fiscal year.**

4. The School Dean can review the application him/herself or delegate his/her Associate Dean to conduct the review.
5. If the Dean's recommendation does not match that of the DRC, the application is routed to the URB for a final recommendation within the URB deadline. The URB may assemble a committee to evaluate the application in case it doesn't fall within the area(s) of their expertise.
6. Any additional clarifications about the application that might be requested by the AP-RIC Office from the concerned faculty member must be addressed, and this within a period of 5 working days from receiving the request.
