Guidelines for the Final Examination Schedule

- Course meeting times determine the final examination date/time.
- Examinations are to be conducted in the same classroom used throughout the semester unless otherwise announced by the instructor.
- Keep in mind that if you choose two or more courses with final examinations scheduled for the same date/time, no special arrangements can be made to reschedule any of these exams.
- Laboratory sessions do not meet during the final examination period, their examinations are held prior to final exam week.
- Final examinations for Graduate courses are to be conducted during the exam week December 16-21, 2017. The instructor of the course will schedule the exam date and time and will need to email hala_m@aucegypt.edu to assign a classroom.
