Guidelines

- Course meeting times determine the final examination date/time.
- Final examinations are conducted in the same classroom used throughout the semester unless otherwise announced by the instructor.
- Special arrangements cannot be made to reschedule any exams.
- Laboratory sessions do not meet during the final examination period, their examinations are held prior to the final exam period.
- Final examinations for **Graduate courses** are to be conducted during the exam period **July 21 – 22, 2017**. The instructor of the course will schedule the exam day and time and will need to email hala_m@aucegypt.edu to assign a classroom.
