Investment Directions

You have a range of 10 Fidelity Funds to choose from. You can invest in just one fund or as many as you like. This is known as self-selection, alternatively you may invest in one of the two Lifestyle Options.

- Self-select Option: Please specify the percentage of the contributions to your account you would like invested in a fund or combination of funds in the table below. Your allocation should total 100%.

Fidelity Funds	% of Contribution
Fidelity Funds	
America Fund	
European Growth Fund	
Pacific Fund	
FPS Defensive Fund	
Emerging Markets Fund	
FPS Global Growth Fund	
Euro Stoxx 50 Fund	
US Dollar Bond Fund	
International Bond Fund	
US Dollar Cash Fund	
Total	100 %

➤ Lifestyle Options

Cautious	100 %	
Balanced	100 %	

If this section is incomplete, all contributions to your account – the AUC and contributions you make will be invested on your behalf in the default option which is the Cautious Lifestyle.

I hereby direct all future amounts (7.2% of my gross monthly salary) withheld from my compensation & all employer contributions (10.8% of gross monthly salary) to be invested in the following manner with Fidelity Worldwide Investment (UK).

Payroll Directions

I authorize my employer to deduct \$_____ per paycheck as an additional non-employer contribution. I understand that this contribution is optional and will not be matched by AUC.
