

Arab Republic of Egypt
The Central Agency for Public Mobilization and Statistics

President of the Agency

Procedures required for approval of the field survey

The Presidential Decree of the United Arab Republic No. 2915 for the year 1964 and the Ministerial Decree No. 231 for the year 1968 on the Central Agency for Public Mobilization and statistics and the executive procedures concerning the statistics, census, referenda and surveys, has clarified the following:

No entity in the government, public or private sector, shall be allowed to conduct any surveys except after obtaining a written decision from the Central Agency for Public Mobilization and Statistics. The decision should include the approval on the procedure, determine the purpose of the research survey, and set the dates and methods in which it will be conducted and the results published.

Thereupon

The entity applying for such, should request a permission from the Central Agency for Public Mobilization and Statistics for the execution of the field survey subject matter of the research. The application should state the following:

1. The objective of the survey/research.
2. The size and type of the sample.
3. Distribution of the sample to governorates/stations/districts.
4. The time and date of execution of the field research.
5. An undertaking to deliver to the agency a copy of the research results upon its completion.

- Application should have two complete copies of the survey form.
