

COURSE REPEAT POLICY

Repeating courses within the Course Retake Policy:

"With the recommendation of the department and the approval of the school dean a graduate student may be allowed to repeat one course, regardless of the grade achieved, except if the grade is received for academic dishonesty. This privilege may be exercised only once.

With the recommendation of the department and approval of the school dean, substitution is allowed for an elective or an infrequently offered course. Both the original grade and the new grade will appear in the transcript but only the new grade will be used in calculating the GPA."
